A new take on talent acquisition

Low Monthly Charge

Spread the cost

Spreading the cost of hiring over 12 months, reduces pressure on your cash-flow.

Video interviewing

Save 60% of your time per hire, using our award winning video interview platform.

Technical testing

A full range of technical tests that are completed online. Showing you time taken to complete and how they have completed the test.

Remote onboarding

We will help you with remote onboarding your team, giving you practical advice from other clients facing similar challenges.

Flexibility with your business

If your business changes and you need to make adjustments, or if a placement does not work out for any reason, you simply stop paying for the people not on site. No hidden charges.
