Contract

We source contractors for short and long term contract assignments across the globe, and deliver consultant staff compliant to local legislation.

A new take on talent acquisition

Local and remote

We engage with all contractors in a manner compliant to local legislation.

Specialists

Our networks mean we can bring you the best talent from across the world quickly.

ML and BI tools

These specialist tools enable us to pinpoint in demand talent and to recruit from diverse groups.

Video interviews

Remove 60% of the time to hire by asking us to complete video interviews on your behalf.

IR35 insurance

All outside contractors are fully insured against any of your risk and we cover the EU and UK.

IR35 testing

We have built an IR35 SDS platform with our insurance partner, giving you the opportunity to confidently employ “outside” contractors.

Technically screened

We will build you a bespoke microsite to help improve your business profile or even a department profile and give you the edge when hiring hard to find resource.
