

initi8

Squad

Initi8 recruitment have built a solution that is the perfect combination of retech with technical knowhow, delivering the very best talent. Perfect for when you need to grow a team.

A new take on talent acquisition

3 month free replacement

Diverse talent

Using our AI and ML tools we actively source and engage diverse talent. All of our team are highly trained to source diversely and remove bias from the process.

Video interviewing

Save 60% of your time per hire, using our award winning video interview platform.

Technical testing

A full range of technical tests that are completed online. Showing you time taken to complete and how they have completed the test.

Bespoke microsite

We will build you a bespoke microsite to help improve your business profile or even a department profile and give you the edge when hiring hard to find resource.

Discounts for multiple hires

Working on a project with a small partnership payment, gives us the freedom to offer discounts for multiple hires and dedicate resources to your project.
